Financial Policy

Lake Norman Dermatology believes that part of a good healthcare practice- patient relationship is to establish and communicate our financial policy to our patients. We are dedicated to providing you with the best possible care, and we want you to completely understand our billing policy.

Payment

- Payment is expected at the time of your visit.
- We accept cash, personal checks, Discover, Visa and MasterCard.
- Payment will include any co-insurance or co-payment amounts that you are responsible for.
- If you do not carry insurance or if your coverage does not include pre-existing conditions, payment is required at the time of service.
- You will be billed separately for biopsy (pathology) and laboratory charges from the facility in which your specimen was submitted. They will also submit the charges to your insurance company.

Insurance

- We are participating providers with most insurance plans (In Network), and must send a claim for every visit.
- We will file the insurance claim(s) on your behalf, and are obligated to file a claim for each visit.
- Your insurance information will be forwarded, with any path or lab tests, to the appropriate facility to be filed.
- You will be billed if your insurance company does not pay within a reasonable period of time. Please remember, insurance is a contract between you, the patient, and the insurance company. Ultimately, the patient is responsible for payment. We will always do what we can to assist you.
- If we receive payment from your insurance after you have paid, we will refund any over-payment accordingly.

Out of Network (If we do not participate with your plan):

- We will prepare and submit the claim for you.
- You may be responsible for payment or partial payment at the time of service.
- The insurance company will most likely send the payment directly to you.

Due to the many different insurance companies, and the variety of plans, we can not guarantee your eligibility and coverage. It helps you to know your coverage.

Referrals

- You are responsible for obtaining a properly dated referral if your insurance policy requires one.
- Referrals are not a guarantee of payment. If the service provided is "not covered" by your plan, they will not cover the charges even if you have obtained a referral.
- Not all plans cover all services.
- If you are seen without a referral and a referral was required by your insurance plan, you will be responsible for the payment. Coverage limits are set by your plan.
- Payment is due upon receiving a statement from our office for all services not covered by insurance.

Returned Checks

- A \$35.00 service fee will be charged for every check returned by the bank for insufficient funds.
- You will be required to bring cash or a money order to cover the amount of the check, PLUS the fee.

Accounting

Payments and credits are applied to the oldest balance first, except for insurance payments which are applied to the corresponding dates of service. Accounts with unpaid personal balances will be turned over to a collection agency.

If you have any questions regarding a billing statement, our billing staff will be available to assist you.

I have read and understand this financial policy for Lake Norman Dermatology, and agree to be bound by its terms. I understand that these terms may be amended by the practice from time to time.
